

Aims & Scope

IEEE Transactions on Neural Networks and Learning Systems publishes technical articles that deal with the theory, design, and applications of neural networks and related learning systems.

Publication Fees

This publication is hybrid, meaning that it is supported by subscriptions and applicable article processing charges (APCs). Although there is no cost for publishing with IEEE, authors may wish to take advantage of some of our fee-based offerings, for example, choosing to publish open access in a hybrid journal. Visit the [IEEE Author Center](#) for more information on available options. The open access APC for this title is **\$2,645 USD**.[Learn more](#)
